Message from the Superior General and the President of BES

“Behold, I make all things new.” (Rev 21:5)

Greetings of peace, joy and love as we usher in the new academic year 2022-2023 with fresh hopes and aspirations.

A good beginning makes a big difference. Make sure you begin this academic year with new hopes and positive mindset to make it a brighter chapter in your school life full of knowledge and learning. Let us welcome this new year with new energies to experience and learn new things. May you make the best of this coming year with your hard work, patience and perseverance. Life is full of challenges and challenges are opportunities to grow and blossom. I wish you all the very best in this new academic year.

We are in a period of transition with the New Education Policy 2020 being implemented in several states of our country. This calls us to update the human resources in our institutions. The quality of education is to be improved through creative, innovative and scientific methods to keep abreast with the new trends in education. We are to be empowered to face the challenges emerging from the New Education Policy, disseminating the secular values of liberty, equality, and fraternity enshrined in the preamble of the constitution preparing the students to be responsible and humane citizens of the country.

I am extremely happy to offer my heartiest felicitations to Sr Sandhya, the new Secretary of Bethany Educational Society ® Mangalore and the Chief Editor of Suvidya Lahari, who has assumed her responsibility on 15.03.2022. I extend my best wishes and prayerful support to her in all her endeavours to make the educational ministry vibrant and effective by giving it a new focus during the coming six years in tune with the vision, goal and core values of BES, under the inspiration of its Founder Servant of God Raymond FC Mascarenhas.

I am overwhelmed with gratitude to God for the dynamic and creative leadership of Sr Mariette, the outgoing Secretary for the past six years. With her farsighted vision and strong determination, she has left no stone unturned to make the goal *“Transformative Education for Fullness of Life”* a reality. Facing bravely and with optimism all the challenges and odds she has explored new pathways to respond to the educational needs of the students, especially during the last two years of COVID-pandemic during which the regular school curriculum was interrupted and consequently the learning of the students adversely affected.

I pray to the Almighty to bless all of us with a successful completion of the year. Let us move forward with courage and confidence trusting in the infinite mercy of God and his wisdom.

Editorial

Dear Friends,

The bygone academic year 2021-2022 was full of uncertainties, anguish and distress triggered by a two year long 'Covid-19' pandemic which brought in its wake a never heard of before-era of lockdowns. With providential help and from your unceasing prayers and support we have faced these challenging times. Thankfully the students have answered their exams in the physical mode after almost 2 years. This has come as a welcome relief to the teaching staff and students alike as they are again able to enter the portals of their beloved schools and colleges without fear and mishaps. The summer vacation will certainly help the students and staff to look forward for a promising academic year 2022-2023, a hopeful new normal.

Change is the only unchangeable phenomenon of life; none can escape. It is the most powerful law of nature and is as natural as Life. Let us welcome this change for better and explore new opportunities and look for a fulfilling academic year ahead. Children are not things to be moulded but persons to be unfolded

If it takes a big heart to help shape little minds then Stella Maris Convent School, Narayanpur possesses the same. An Orientation Programme for parents of KG children was organized by the institution on 20th April, 2022 under the leadership of Sr Shamita, the Principal, to make the parents feel that their children will bloom in the soil of love and care.

The programme began with invocation of God's blessings through a prayer dance by the students of class III followed by lighting of Diya by the honourable chief guest Dr JP Singh and Sr Shamita. The little Stellites welcomed the audience with great zeal, singing a beautiful welcome song. The Principal acquainted the Parents with the goal, vision, aims and objectives, and core values of the school in detail through her message.

Children are fragile; they need to be handled with care. The chief guest highlighted the sensitive issue of positive parenting. A folk dance presented by the students of Std II was no less than a rainbow in the sky of SMC Narayanpur. The programme ended with a note of gratitude for both the Chief Guest and the parents. Parents left the campus with lofty hopes that the all round formation of their children would be attended to with love and care. With this positive attitude the parents placed their toddlers at the right place and in the right hands.

Scintillating Moments to Stellites, Sultanpur

Mr Vinay Singh, the ex student of Stella Maris Convent School, Sultanpur amazed us with his lustrous presence. His passion to reach out to the people around inspired him to join the United States Federal Civil Service. His extraordinary calibre earned him a compliment 'a person of exceptional ability' and made him the citizen of the US. Currently he is working as the Director, Department of Agriculture at Washington DC.

He shared his success story beginning from the scratch when as a kid he had entered the unknown portals of Stella Maris Convent School, Sultanpur with all fears and tears but the love and affection of the Sisters made him soon realize that his school was a home away from home. He excelled at every field under the guidance of his mentors, brought laurels to the institution and his family. As he was returning to his alma mater after 35 years SMC welcomed him with open arms and rhythmic beats of drum.

An enrapturing cultural programme with a prayer song, dances and skit stirred his memories down the lane and the refulgence on his face spoke of his joy and satisfaction of being with the young Stellites. Mr Vinay's heart overflowed with gratitude for his mentors. As he was addressing the gathering the young minds were watching and listening to him with sparkling eyes. His personal experiences motivated them to excel and to reach out to others in service. He was felicitated by Sr Shamitha BS, the Principal, by offering him a shawl and a bouquet as a token of love and honour.

ಬೋಧಕರಿಗೊಂದು ಭವ್ಯ ಉಪನ್ಯಾಸ

“ಶಿಕ್ಷಣವೆಂದರೆ ಅದು ಕೇವಲ ಓದು ಬರಹದ ಕೆಲಸವಲ್ಲ. ಅದರ ಮುಖ್ಯ ಉದ್ದೇಶ ಬದುಕನ್ನು ಅರ್ಥಪೂರ್ಣವಾಗುವಂತೆ ಸಹಕರಿಸುವುದು, ಮನುಷ್ಯರಲ್ಲಿ ಪ್ರೇಮವನ್ನು ಮೂಡಿಸಿ, ಸರಳ ಜೀವನವನ್ನು ಕಲಿಸುವುದು” ಎಂದು ನಮ್ಮ ಬೆಂಗಳೂರು ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಯು ಬಲವಾಗಿ ನಂಬುತ್ತದೆ.

ಆರೋಗ್ಯವೇ ಸಾಧನೆಯ ಶಿಖರ

ಸಾಧನೆಯ ದಾರಿ ಸುಗಮವಾಗಬೇಕಾದರೆ ಶಾರೀರಿಕ ಮತ್ತು ಮಾನಸಿಕ ಆರೋಗ್ಯವು ಬಹಳ ಮುಖ್ಯ. ದೇಹವು ಯಾವಾಗಲೂ ರೋಗದ ನೆಲೆಯಾಗದೆ, ಆರೋಗ್ಯದ ಗಣಿಯಾದಾಗ ಮಾತ್ರ ನಾವು ಯಾವ ಸಾಧನೆಯನ್ನಾದರೂ ಮಾಡಬಹುದು.

ಇಂದಿನ ಹದಗೆಟ್ಟಿರುವ ಪರಿಸರದಲ್ಲಿ ಶಾರೀರಿಕ ಹಾಗೂ ಮಾನಸಿಕ ಸಂವರ್ಧನೆಗೆ ಸಾಕಷ್ಟು ಗಮನ ಕೊಡಬೇಕಾದ ಅನಿವಾರ್ಯತೆ ಇದೆ ಎಂಬ ಉದ್ದೇಶದಿಂದ ಶಿಶುವಿಹಾರ ಹಿರಿಯ ಪ್ರಾಥಮಿಕ ಶಾಲೆಯಲ್ಲಿ ಹೆಣ್ಣುಮಕ್ಕಳ ಆರೋಗ್ಯ ಮತ್ತು ನೈರ್ಮಲ್ಯ ಕುರಿತು ಉಪನ್ಯಾಸ ಕಾರ್ಯಕ್ರಮವನ್ನು ಹಮ್ಮಿಕೊಳ್ಳಲಾಗಿತ್ತು. ಇಂಡೋಜರ್ಮನ್ ಆಸ್ಟ್ರೇಲಿಯ ಶುಶ್ರೂಷೆ ಮೇಲ್ವಿಚಾರಕರಾದ ಭಗಿನಿ ಸ್ಯಾಂಡ್ರವರ ಮಕ್ಕಳಿಗೆ ಸುಮಾರು ಒಂದು ಗಂಟೆಯ ಉಪನ್ಯಾಸ ನೆರವೇರಿಸಿಕೊಟ್ಟರು. ಈ ಕಾರ್ಯಕ್ರಮದಲ್ಲಿ “ಸ್ವಾರ್ಥ ಹಾಗೂ ಸೋಮಾರಿತನಗಳಿಂದ ಸ್ವಚ್ಛತೆ ಮತ್ತು ನೈರ್ಮಲ್ಯದ ಅಭಾವ ತಲೆದೋರುತ್ತದೆ, ಇದ್ದ ಅವಕಾಶವನ್ನು ಉಪಯೋಗಿಸಿಕೊಂಡು, ಆರೋಗ್ಯವನ್ನು ಕಾಪಾಡಬೇಕು” ಎಂಬ ಅಂಶಗಳನ್ನು ಮಕ್ಕಳಿಗೆ ನಿರ್ದಿಷ್ಟವಾಗಿ ಮೂಲಕ ತಿಳಿಸಿಕೊಟ್ಟರು. ಆರೋಗ್ಯಯುತ ಪ್ರಜೆಗಳೇ ದೇಶದ ನಿಜವಾದ ಸಂಪತ್ತು ಎಂಬುದನ್ನು ಮರೆಯದೆ, ಸ್ವಚ್ಛತೆ ಹಾಗೂ ನೈರ್ಮಲ್ಯತೆಯನ್ನು ಪಾಲಿಸುವ ಕರೆ ನೀಡಿದರು. ಕೇವಲ ದೈಹಿಕ ಆರೋಗ್ಯ ಮಾತ್ರವೇ ಅಲ್ಲದೆ, ಮಾನಸಿಕ ಆರೋಗ್ಯವನ್ನು ಕೂಡ ಕಾಪಾಡಿಕೊಳ್ಳುವ ನಿಟ್ಟಿನಲ್ಲಿ ಮಕ್ಕಳಿಗೆ ಕಥೆಗಳ ಮೂಲಕ ಅತ್ಯಂತ ಉಪಯುಕ್ತವಾದ ಉಪನ್ಯಾಸ ಕಾರ್ಯಕ್ರಮವನ್ನು ನಡೆಸಿಕೊಟ್ಟರು.

Joy of Sharing

"A smile is the light in your window that tells others that there is a caring, sharing person inside." These words of Denis Waitley came true as the young faces of St Joseph's Convent School, Bathinda radiated enigmatic smiles after the "Joy of Sharing Week".

"The Joy of Sharing" week was observed at St Joseph's Convent School. The contribution included stationery, toiletries, clothes, grains and cash.

After their generous collection in cash and kind, the students sprang forth into action and reached out to the needy children and their families in sharing their contribution. The noble task of distributing the collected material among the needy was entrusted in the hands of the children.

The children were accompanied by the Vice Principal, sister-in-charge of Social Service and a teacher. They distributed the items to the children eagerly. The radiating eyes and sparkling smiles of the poor expressed gratitude and spoke a thousand words.

The words of Pope Benedict XVI are very appropriate for the Josephites as they, "Follow the example of Jesus and joyfully continue His mission, still valid today, even though the social conditions in which we live have changed."

Makara Sankranti

Every year Makara Sankranti is celebrated in the month of January. This festival is dedicated to the Hindu religious sun god Surya. This significance of Surya is traceable to the Vedic texts, particularly the Gayatri Mantra, a sacred hymn found in Rigveda. Sankranti means transmigration of the Sun from one zodiac to another in Indian astronomy. Makar Sankranti is considered a day of happiness and prosperity by Hindus. It is believed that taking a bath in the Ganges, on this day, is auspicious. Devotees also pay tribute to the Sun God and express gratitude towards him for blessing them with his warm and glowing rays.

Bethany School raised the banner of solidarity with our Hindu brotheren to make Makara Sankranti a memorable one. Therefore, in preparation we conducted speech competition on the topic "Makara Sankranti the festival of Harvest", Rangoli designs on sankranti theme and Kite flying. It thrilled the students to participate. The speciality of celebration is Pongal dish, decorations, flour dishes, home coming, prayers, processions and gift giving.

The three days of the Pongal festival are called Bhogi Pongal, Surya Pongal and Maattu Pongal. On 7 January 2022 we celebrated with the solemn arrival of a Farmer and Haridasu who are the symbol of Bogi. The Chief Guest Mrs Anuradha the Mahila Police Officer of Uppudi inaugurated the Bogi Mantta (fire) Later the teachers and students danced around the Bogi Mantta. Theresian Youngster Practising Core Values in Reality

Harasis Singh Virk of class XII, Non-medical, had been practising values in real life. During Covid lockdown-1 in 2019, when the scare of Corona was freezing the hearts of the Indians with fear, when no vaccine was available and we were afraid to step out of our homes, he stepped forward for the sake of humanity. He would take cooked food from Nirmal Kuttiya and deliver it at the doorsteps of the houses where all the occupants were infected with Corona, leaving not even a single member to take care of others. He reached out to Corona infected patients who were left to be at the mercy of the fate in hospitals and there was nobody to take care of them as the family members got their member admitted to the hospital and then would not take care of the basic needs to save themselves from the infection of the virus. At that time, he stepped into the shoes of a young good Samaritan and supplied them food. He advertised in the newspaper to reach out to such stand-alone cases and helped them free of cost. St Theresa's Convent School salutes this young hero for thinking out of the box and practising the core values of BES in real life, helping the needy in the town.

A Blooming Writer

It is rightly said, "I do believe something very magical can happen when you read a book." Eventually something remarkable happened.

Lavanya an avid reader, a student of grade VIII brought laurels to the school by penning down a fantasy novel titled 'Hester and Crazyfur: On the journey of Dreadful Mysteries', 'White Falcon' a renowned publishing house has taken the responsibility to publish the book which will be soon in the hands of readers.

Lavanya, a brilliant student developed a great inclination towards reading during the first lockdown period. She read around 60 books ranging from Geronimo Stilton, Nancy Drew, Harry Potter and many more.

Her reading skills prompted her to convert the pictures in her subconscious mind into the words and she discovered what she believed. Certainly, behind every young child who believes in herself is a parent who believed first. In that vein

Lavanya's parents inspired her to follow her dream and she came out with an amazing work of art. Truly, Lavanya has made Sacred Heart, Barnala proud. We wish that she accomplishes many more such accomplishments in her life.
